

The **POSSIBILITIES** are **ENDLESS** **+Instant**

From the company that brought you DUCTLESS, Airrow Heating introduces the 2018 Rinnai Sensei TANKLESS Water Heater.

With Rinnai Super High Efficiency Plus featuring ThermaCirc360, you can now have faster hot water at your faucet regardless of your plumbing configuration.

That's right, Sensei water heaters lower cost, save energy, and provide instant endless hot water.

Business customers qualify for additional \$300 cash incentive for new or replacement gas-condensing tankless water heaters.

For more information, contact Airrow Heating today.
